

South Park, Heat Of The Moment

(Cartman) It was the heat of the moment,
Telling me what your heart meant
The heat of the moment showed in your eyes.

I never meant to be so bad to you
One thing I said that I would never do
(Congressman 1) One look from you and I would fall from grace
(Congressman 2) And that would wipe the smile right from my face

(C and The Congressmen) Do you remember when we used to dance?
(Cartman and more Congressmen) And incident arose from circumstance
One thing lead to another, we were young
(The whole Congregation) And we would scream together songs unsung

It was the heat of the moment,
Telling me what your heart meant
The heat of the moment showed in your eyes...
