

South Park, I Hate You Guys

I hate you guys
No matter what you do
You suck cock all day
And you don't even puke

And you, you stupid Jew
I don't know why I hang out with you
And you are so f**kin' poor
I put a penny on your lawn and you would ask for more.

And you are just weird
And you like that hella gay Kyle
Your penis is so small
When mine is over a mile

I hate you guys

No matter what you do
You think Terence and Phillip is stupid
But they are better than you

And you may think my mom is a slut
But I don't really care
Because all I can do is say f**k you
And you will shit in your underwear...

Because..

I hate you guys
No matter what you do
You're poor, you're a jew, you're a faggot
And that is why I hate all of you
