

South Park, Jesus, Baby

"You know Jesus,
I've been thinking alot about you lately,
and well...
That's why I wrote this song"
I love you Jesus,
I want you to walk with me
I'll take good care of you baby,
call you my baby, baby
You died for my sins,
and you know that I would die for you, right?
Whats the matter baby,
your trembling Jesus baby!
Your love, is my life!
You know when I'm without there's a black hole in my life!
Ohhh I wanna believe, it's alright
Cause I get lonely in the night and it's up to you to save me
Jesus baby..
