Timmah livin' a lie!
YAH! YA!
Eh Timmah!
And the Lords of the Underworld
Darkness fills my heart with pain
Timmah!
And when girls start to sleep with girls
His love will rise again!

Yeah! OH!

And the Lords of the Underworld!
Darkness fills my heart with pain
And when girls start to sleep with girls
Timmah break it down!
I pledge allegiance to the flag....
To the United States of...

And the Lords of the Underworld
Darkness fills my heart with pain
And when girls start to sleep with girls
