

Spacehog, Almond Kisses

Slow breeze slipping through my fingers
Cold dreams ejected from my mind
Wet face pressed against a window
A neon tear illuminates the sign

Almond kisses, almond kisses
Best kiss you ever had
Almond kisses, almond kisses
Come back
Back to me
Back to me
Back to me

Boy's breath is humid to the nipple
As Conscience: she topples to the floor
Ice, cold, tingles in the morning
As Passion: she sparks the fire for more

Almond kisses, almond kisses
Best kiss you ever had
Almond kisses, almond kisses
Come back
Back to me
Back to me
Come back to me

So be (slipping) strong
You can't go
You can't go
You can't go wrong

So be (slipping) strong
You can't go
You can't go
You can't go wrong

You can't go wrong
You can't go wrong
You can't go wrong
