

Spacehog, Captain Freeman

Well,
Don't need no friends in high places
No Mr. Big on the hill
Gonna do my own dirty work, yeah
'Cause when the shit hits the fan
You'd better run if you can
Gonna do my own dirty work, yeah
'Cause I'm a free man
Don't you look at me, man
No need to run in the city of dreams
Well, you can keep your confession
For Mr. Big on the hill
You did your own dirty work, yeah
How'm I gonna know when I get there?
You'll know when you get there
'Cause you're a free man
Don't look at me, man
No need to run in the city of dreams
