

Spacehog, Earthquake

It's funny how we think that things are one way
And they will always be that way somehow
Like when I was a boy I knew that someday
I'll learn my lesson and we'll have learned it now

Chorus:

Whoa people are crazy
And I know why
Keep it all keep it all inside
Don't wait for heaven's sake
For the Earthquake

It's funny how we leave the blues behind you
You can take them with you when you go
Laughing like a child without no reason
And I shout for the greatest show on earth

(Chorus) x 3

Ooooh quake, quake,
Beans on Toast
Beans on Toast
