

# Spacehog, Earthquake

It's funny how we think that things are one way  
And they will always be that way somehow  
Like when I was a boy I knew that someday  
I'll learn my lesson and we'll have learned it now

Chorus:

Whoa people are crazy  
And I know why  
Keep it all keep it all inside  
Don't wait for heaven's sake  
For the Earthquake

It's funny how we leave the blues behind you  
You can take them with you when you go  
Laughing like a child without no reason  
And I shout for the greatest show on earth

(Chorus) x 3

Ooooh quake, quake,  
Beans on Toast  
Beans on Toast
