

Sparkadia, The Kiss Of Death

If I never ever see you again,
Would you take all that I said and believe it to be true?
Would you choose to lose it all with no sense of consequence?
Oh the kiss of death is only but a breath away

It's only time
Before you lose
The things that meant
The most to you
You're in denial
You're out of your mind
You'll be the one who dies alone

If I could I would have moved on long ago,
But you wanted me to stay so I let you have your way
Is it better to be friends or sever ties? well that depends.
Oh the kiss of death is only but a breath away

It's only time
Before you lose
The things that meant
The most to you
You're in denial
You're out of your mind
You'll be the one who dies alone

When you just can't trust yourself more than anybody else
The kiss of death is only but a breath away

It's up to you
It's not down to me
You change your mind too easily

What's in your head
Is not in your heart
You wait too long to play your cards

It's only time,
Before you lose
The things that meant
The most to you
You're in denial
You're out of your mind
You'll be the one dies alone

The kiss of death is only but a breath away
