Boy, you know my love is waiting  
Waiting to come down  
But it's all up to you  
I know what you want  
And I'm gonna give it you, boy  
But first you got to put your trust in me

Repeat 1

I can hardly wait to get you here with, oh baby  
Are ya hungry boy, did you eat yet?

Giving you that sweet affection  
That I know you need  
Boy, you can depend on me  
Don't you worry, worry 'bout rejection, boy  
Cuz tonight you're mine just put your trust in me
