

Sparks, Dance Godammit

(Ron & Russell Mael)

It's the sound
Of today
Played so loud
You're in pain
I feel good
Really great
As I talk
To my feet
Dance Godammit

Dance Godammit

I get scared
When I'm alone
So I don't
Stay alone
I like clubs
I like girls
I like music
And that's it
Dance Godammit
Dance Godammit

I do leaps
I do splits
I do spins
I do dips
Wanna dance?
Do you wanna dance ?

I get scared
When I'm alone
Ah, don't leave me
All alone
Wanna dance
Wanna dance
Wanna dance?
Do you wanna dance?
Dance Godammit
Dance Godammit
