

# Sparks, How Are You Getting Home?

(Ron Mael)

How are you getting home  
It's on my way, so let me take you home,  
Home home sweet home

How're you getting home  
How're you getting home  
How're you getting home, I'm curious  
No, I'm really only curious  
How're you getting home

Get away from here  
Let's get away from here  
I hope you live a million miles away  
I could take you half way home tonight  
Tomorrow you'll be home  
Tell me how you're getting home

We got one thing in common baby  
We're too good to be at this party  
We're too good to be anywhere but  
Inside my car

How are you getting home  
It's on my way, so let me take you home,  
Home home sweet home

(Chorus)

Don't let me push you baby  
What I like is your independence  
Real spunk, real independence  
And there's my car

How are you getting home  
It's on my way, so let me take you home,  
Home home sweet home
