

# Sparks, I Married Myself

I married myself  
I'm very happy together  
I married myself  
I'm very happy together

I married myself  
I'm very happy together  
Long, long walks on the beach, lovely times  
I married myself, I'm very happy together  
Candlelight dinners home, lovely times

This time it's gonna last, this time it's gonna last  
Forever, forever, forever

I married myself  
I'm very happy together  
I married myself  
I'm very happy together

This time it's gonna last, this time it's gonna last  
Forever, forever, forever  
This time it's gonna last, this time it's gonna last  
Forever, forever, forever

I married myself  
I'm very happy together  
Long, long walks on the beach, lovely times  
I married myself, I'm very happy together  
Candlelight dinners home, lovely times

This time it's gonna last, this time it's gonna last  
Forever, forever, forever  
This time it's gonna last, this time it's gonna last  
Forever, forever, forever
