

Sparks, Never Turn Your Back On Mother Earth

(Ron Mael)

When she's on her best behaviour
Dont be tempted by her favours
Never turn your back on mother earth
Towns are hurled from A to B
By hands that looked so smooth to me
Never turn your back on mother earth
Grasp at straws that dont want grasping
Gaze at clouds that come down crashing
Never turn your back on mother earth
Three days and two nights away from my friends
Amen to anything that brings a quick return to my friends
To my friends
Never turn your back on mother earth
I'll admit I was unfaithful
But from now I'll be more faithful
Never turn your back on mother
Never turn your back on mother
Never turn your back on mother earth
