## Sparks, The No. 1 Song In Heaven (Part Two)

If you should die before you wake If you should die while crossing the street The song that you'll hear, I guarantee

It's number one, all over heaven It's number one, all over heaven It's number one, all over heaven The number one song all over heaven

The one that's the rage up here in the clouds Loud s a crowd or soft as a doubt Lyrically weak, but the music's the thing

Gabriel plays it, God how he plays it Gabriel plays it, God how he plays it Gabriel plays it, God how he plays it Gabriel plays it, let's hear him play it

It's number one, all over heaven It's number one, all over heaven It's number one, all over heaven The number one song all over heaven

The song filters down, down through the clouds It reaches the earth and winds all around And then it breaks up in millions of ways

It goes la, la, la.....

In cars it becomes a hit In your homes it becomes advertisements And in the streets it becomes the children singing...
