Sparks, Tips For Teens

(Ron & amp; Russel Mael)

I've got a snapshot of your Aunt Maureen She's 90 and you're a teen I'm trying to cheer you up Don't be so mean, don't be so mean

Crach, bam, now you're looking good Tip Top, now you're feeling good Once more, here's your Aunt Maureen Don't you feel good, don't you feel good

Chorus:

Tips For Teens, Tips For Teens, the kind you don't see in magazines Tips For Teens, Tips For Teens, the kind you don't see on T.V. screens Tips For Teens, Tips For Teens Wake up to music And say you're too sick to go to work

Soon, you will lose all your zits Tight sweaters no longer fit Jetsetters will make their pitch I told you so, I told you so

Chorus

Don't eat that ice cream It is vanilla Give it to me

Don't eat that pastry What's in the middle Give it to me

Don't eat that burger Has it got mayonnaise Give it to me

Keep that mystique up And wear a "D" cup No matter what

Don't eat no curry Before a very Important date

Do I look so knowing and old and wise Maby it's those Dacron ties How come you keep asking me For Tips For Teens, for Tips For Teens

Crach, bam, now you're looking good Tip Top, now you're feeling good Once more, here's your Aunt Maureen Don't you feel good, don't you feel good

Chorus
