

# Sparks, What Are All These Bands So Angry About

Hey everybody, what do you say  
Someone's stolen our spotlight, Ray  
Hey everybody, what do you say  
What are all these bands so angry about?

Hey everybody, what do you know  
Something's stolen our thunder, Joe  
Hey everybody, what do you know  
What are all these bands so angry about?

Hey everybody, what do you know  
Something's stolen our thunder, Joe  
Hey everybody, what do you know  
What are all these bands so angry about?

Hey everybody, what can we do?  
Crank it up just a notch or two?  
Hey, everybody, what can we do?  
What are all these bands so angry about?

Hey everybody, they called our bluff  
Our profane ain't profane enough  
Hey everybody, they called our bluff  
What are all these bands so angry about?

Hey everybody what do you say  
Someone's bounced us from center stage

Some might have done it, but not today  
Beethoven, Coltrane, or Lady Day  
Some might have done it, but not today  
What with all these things besieging us now

Some might have done it, broken on through  
Wagner, Tatum, or Howlin' Wolf  
Some might have done what we'll never do  
What are all these bands so angry about?

Hey everybody, what do you know  
Something's stolen our thunder, Joe  
Hey everybody, what do you know  
What are all these bands so angry about?
