

Spearhead, See You In The Light

I've been travelin'
down this river
so many rocks pop up in my sight
i got to make some quick decisions
should i go left or should i go right
i pray for guidance
and protection
it keeps my boat water tight
and i know
if i just keep on believin'
every little things all gon' be alright

(Chorus)3X
but when i wake up
in the mornin'
i hope i see you
in the light

and the loveliness
and the tenderness
and the happiness
and the openness
and togetherness
and the ugliness
ya ya

vampires gather round me

anglin' to take a bite
they wanna drink my blood of courage
and try to take away my fight
but no no no they cant do that
noooo
for one truth i learned in life
you want to scare away the vampires
and simply guide them into the light

(Chorus)

in the mornin 4X

and when my time is done
i did some right i did some wrong
call my name to kingdom come
spread my wings in flight
i hope that when my day is over
my love i see you
in the light

YAAAAAAAAA

(Chorus)

in the mornin 4x
