

# Spearhead, Sweet Little Lies

chorus

You tell me lies, lies, lies  
Sweet little lies  
When I cannot bear the truth

You tell me lies, lies, lies  
Sweet little lies  
Help me make them all come true

Tell me that the rain won't fall today  
Tell me that the taxman lost his way  
Tell me that the hurtin ain't gonna hurt no more  
Tell me that somebody stopped the war

[chorus]

I say yeah, yeah, yeah, yeah, yeah, yeah  
I say yeah, yeah, yeah, yeah, yeah, yeah

Tell me that the whole world's wonderful  
Tell me that the bank account's still full  
Tell me that we all got plenty of time  
Tell me that I ain't gonna lose my mind (lift me up now)

[chorus]

and you know I'm just a man  
with my heart in my hand  
you tell me things and hope  
and ghosts won't leave me alone  
and even though I got no plans  
I'm on the run from the man  
and just hold on to me  
you just hold on to me

Every time I need a prayer  
Every time I need to share  
Every time I needed someone to hold on to me

[chorus]

help me make them all come true  
help me make them all come true  
help me make them all come true  
help me make them all come true  
help me make them all come true

spoken: tell me that the whole world's wonderful
