## Spectacular!, Everything Can Change

Do do do do do do Theres no easy way to figure out Why everything we planned gets turned around Nothing accidental, got it down to a T So why do things never end the way you think there gonna be If fall is for sure is that no one knows that dont be too quick to decide Cause everything can change when you least expect it Cant stop what you cant control Gotta learn how to just let go Everything can change No, you cant profect it Some things you cant explain Yeah! Do do do do do do do Theres no easy way to plan ahead Cant wait to get there, but we end up here instead Anything can happen due to what it does Somethings turned out much better the way it is with us If fall is for sure is that no one knows that dont be too quick to decide Cause everything can change when you least expect it Cant stop what you cant control Gotta learn how to just let go Everything can (oh!) change No you cant profect it Somethings you cant explain Everything can change when you least expect it Cant stop what you cant control Gotta learn how to just let go Everything (yeaah) can change No, you cant profect it Somethings you cant explain Everything can change (everything can change) Cant stop what you cant control Gotta learn how to just let go Everything can change, everything can change Somethings you cant explain Everything can change
