Spice Girls, Love Thing

You know I don't wanna know, don't wanna know about that love thing,
You know what I'm dreaming of,
Don't wanna know about that love thing.
Been broken hearted before but that's the last time it happens to me,
I keep on giving so your asking for more,
too much emotion baby why can't you see,
I'm not afraid of your love why can't you see I've had my share of that,
You're what I want boy,
You know you go boy,
You gotta want me,
It's just what I need,
I'm not that easy as a matter of fact,
There's no room for lovin stop that push and shovin yeah,
Don't wanna know about that love thing,
Give me what I'm needing you know what I'm dreaming of,
Don't wanna know about that love thing.
Now don't go wasting my time,
You're not the only thing I've got on my mind,
My friends are with me when you ain't been around,
Your precious words and promises ain't bringing me down,
I've got some living to do, don't assume I'm gonna be with you,
You know you go boy,
You gotta want me,
It's just what I need, I'm not that easy as a matter of fact,
There's no room for lovin stop that push and shovin yeah,
Don't wanna know about that love thing,
Give me what I'm needing you know what I'm dreaming of,
Don't wanna know about that love thing.
Stop pushing
You're rushing
You're losing my lovin
I hope it,
I see it, Just play it
You feel it
Gotta be bold, bold and oh so strong,
Get with this and you got it going on,
On and on with the girls named spice.
You wanna get with us then you'd better think twice,
God help the mister, yeah God help the mister,
That comes between me and my sisters, I'm not afraid of your love,
I'm not afraid of your love,
Why can't you see I've had my share of that,
You know you go boy,
You gotta want me,
It's just what I need, I'm not that easy as a matter of fact,
There's no room for lovin stop that push and shovin yeah,
Don't wanna know about that love thing,
Give me what I'm needing you know what I'm dreaming of,
