

Spice Girls, Never Give Up

Whoo

She used to be a chancer, sparkle in the rain
Told me she needed a friend
If she's going crazy, baby's on the way
Seems like the day never ends
Everybody needs some affection (Ah Ah Ah)
Never shines (never shines) gotta try (gotta try)
Wherever you're going

Chorus

Never give up on the good times, gotta believe in the love you find
(Never give it up no, never give it up no oh oh)
Never give up on the good times, living it up is a state of mind
(Never give it up no, never give it up oh oh)
Bossanova baby, heart is never soul
Shouting but he's never heard
Eyes all wide and open, streets are paved with gold
Someone come back on their world
Everybody needs some affection (Ah Ah Ah)
Never shines (never shines) gotta try (gotta try)
Wherever you're going

Chorus

Down and dirty city, feeling outta place
Maybe you're ran outta time
Treats her like a lady, smile upon her face
Make up the last of the lines
Everybody needs some affection (Ah Ah Ah)
Never shines (never shines) gotta try (gotta try)
Wherever you're going
