

# Spice Girls, Right Back Atcha

We're coming right back at ya, come on  
This party begun  
Jump to it  
It's a brand new day  
I've got a feeling things are going my way  
Cos the girls are back in town  
So don't look down  
Cos the groove won't let your feet touch the ground (yeah)  
No looking back  
And you thought we wouldn't make it this far  
So proved you wrong again  
Now its time  
We're coming right back with a brand new design  
feelin fine  
There's been tears along the way  
But we're still the best of friends  
never needed to pretend  
cs the friendship never ends  
We're coming right back at ya, come on  
This party begun  
Jump to it cos the girls are cominground again  
Right back aty a this time  
We're changing the vibe  
Get with it cos the girls are coming back again  
We're coming right back at ya no RIP  
Not forgetting the days when we were  
all wannabees  
Spice it up through and through through  
And through to the limit  
They all try and dis us but there aint nothing in it  
We started a trend that they all imitated  
A new genaratin of Spice we created  
You all know who you are we couldn't have  
Done it without ya  
So once again were coming right back at ya  
There have been tears along the way  
But we're still the best of friends  
Never needed to pretend  
Cos real friendship never ends  
We're coming right back at ya  
Come on, this party's begun  
Jump to it, cos the girls are coming round again  
We're right back at ya this time  
We're changing the vibe  
Get with it, cos the girls are coming back again  
Right back at ya  
come on this party's begun  
Jump to it cos the girls are coming back again  
Right back at ya  
This time we're changing the vibe  
Get with it cos the girls are coming back again
