

Spirit Of The West, Slow Learner

Everything's in order and filed inside my head
I know our match was made in heaven and that love is made in bed
You have my complete approval
I'll put an 'X' within your square
All the power to you, I know how much you care

I guess I'm just a slow learner, I know I know I am
Just a slow learner, I know I am Just a slow (learner)
But I know that I am...

Always telling truths and I expect the same
But I believe, I believe
I believe that if you love me even lies can be explained
We lay down together your breath got tangled in my hair
I know you whisper my name, so I leave it there

I guess I'm just a slow learner, I know I know I am
Just a slow learner, I know who I am (Just a slow learner)
But I know that I am still here
I'm still here

You and I within the world
You and I
You and I within the world
You and I

I guess I'm just a slow learner, I know I know I am
Just a slow learner, Well I know I am (Just a slow learner)
But I know that I am still here
I'm still here
I'm still here
I'm still here
