

# Spiritualized, Why Don't You Smile Now?

You didn't care when I begged you to stay  
Why don't you smile now?  
You laughed at me when you walked away  
Why don't you smile now?  
Why don't you smile, yeah  
Smile, ohh  
Smile, yeah  
Smile, ohh  
Why don't you smile now?

You said he could give you much more than me  
Why don't you smile now?  
You said he could give you everything you need  
Why don't you smile now?

Secret dress and highheeled shoes  
But baby all you got was blues  
Why don't you smile now?

But now you're back, you want back in  
Well baby you just watch me grin  
Why don't you smile now?
