

# Spitvalves, Moccos

Grab your gun  
have your fun  
go and talk your shit  
no more fun  
you lost the gun  
you know your full of it

Hypocrite  
wanna be  
flash your gold  
and your money

understand the hate  
that you create  
just when you act that way  
your a hypocrite and wanna be  
so get the fuck away

hypocrite  
wanna be  
you think you are the man  
but the power really lies  
in that 10-1  
millimeter in your hand
