

Split Shift, Witness

You were a part of me
And I can feel
All the things you do to me
You've done to me
You threw it back on me
You broke my trust
I wanna scream back at you
Back at you

And as god as my witness
I push so hard but I cant resist
The times we had when we were so alone
With all of your horrors

And I cant believe what you did
I tried so hard but I cant forgive
With just one thought of your name
I see it alone and reflect upon all of my pain

So stay away
And ill stay away

As god as my witness
I never faltered from what I said
Believe in me
Ill see you again
Im lost alone without you
