

# Split Shift, Witness

You were a part of me  
And I can feel  
All the things you do to me  
You've done to me  
You threw it back on me  
You broke my trust  
I wanna scream back at you  
Back at you

And as god as my witness  
I push so hard but I cant resist  
The times we had when we were so alone  
With all of your horrors

And I cant believe what you did  
I tried so hard but I cant forgive  
With just one thought of your name  
I see it alone and reflect upon all of my pain

So stay away  
And ill stay away

As god as my witness  
I never faltered from what I said  
Believe in me  
Ill see you again  
Im lost alone without you
