

# Sponge Cola, Gemini

Come a little closer  
Flicker in flight  
We'll have about an inch space  
But I'm here I can breathe in  
What you breathe out

Let me know if I'm doing this right  
Let me know if my grip's too tight  
Let me know if I can stay all of my life  
Let me know if dreams can come true  
Let me know if this one's true

'Cause I see it  
And I feel it  
Right here  
And I feel you right here

The vacuous night  
Steps aside to give meaning  
To Gemini's dreaming  
The moon on it's back  
And the seemingly  
Veiled room's lit  
By the same star

And I feel it right here  
And I feel you right here
