

Sponge Cola, Gemini

Come a little closer
Flicker in flight
We'll have about an inch space
But I'm here I can breathe in
What you breathe out

Let me know if I'm doing this right
Let me know if my grip's too tight
Let me know if I can stay all of my life
Let me know if dreams can come true
Let me know if this one's true

'Cause I see it
And I feel it
Right here
And I feel you right here

The vacuous night
Steps aside to give meaning
To Gemini's dreaming
The moon on it's back
And the seemingly
Veiled room's lit
By the same star

And I feel it right here
And I feel you right here
