I speak the spookanese
Like abominable dominos crushin' crews with ease

Who never had the need or the beats the loser's theme
Oh what I'm always luke warm
Then put that group on and wham your necks under the Yukon
I crash the savage talkin' badly while livin' lavish
Put your cabbage on the block chop straight drop the hatchet
Now your head's rollin'
Put my fingers In your eyes and my thumb In your mouth
And make up a new sport called head bowlin'
Oh Is flow In It boy you're finished
Bite my script and I'll extort my percentage
Of your royalty not waitin' to disregard It's blatant
When chhh chhh ahhh ahhh I sneak up like Jason
So got me when ya can't get It bitin' me's a grand mimic
This Is from Popeye but even he gon' eat some bad Spinach
Cause I'm forever spittin' for cheddar fixin's
Make clever kittens do the wop outside the reverend's mission
