

# Spoons, Arias & Symphonies

Is it hard to be the kind of man you want to be?  
All options not left open  
Playing games for the benefit of those who watch  
Determined this one will turn out right

Not like his mother and not like his wife, but right  
Not like the women he knew in his life

Arias and symphonies  
Music to his ears  
Little boys in harmony pouring their hearts out  
Arias and symphonies  
Ringing in his ears  
Everythings arranged before it is played

Is it hard to be the kind of girl you want to be?  
All options not left open  
Acting roles just to pacify her dear old dad  
Determined his baby grows up right

A bit like his mother, a bit like his wife  
Right, just like the women he knew in his life

Arias and symphonies  
Music to her ears  
Little girls in harmony pouring their hearts out  
Arias and symphonies  
Ringing in her ears  
Everythings arranged ahead of the game

No, were not hungry for more  
Were not hungry for

Arias and symphonies  
Ringing in my ears  
Little boys in harmony pouring their hearts out  
Arias and symphonies
