

# Spring Awakening, Those You've Known

Those You've Known

(MORITZ)

Those you've known and lost still walk behind you  
All alone, they linger till they find you  
Without them, the world grows dark around you  
And nothing is the same until you know that they have found you

(WENDLA)

Those you've pained may carry that still with them  
All the same, they whisper "all forgiven";  
Still your heart says their shadows bring the starlight  
And everything you've ever been is still there in the dark night

(MORITZ/WENDLA)

Though you know you've left them far behind/And the northern wind blows  
You walk on by yourself and not with them/The sorrows, your heart goes  
Still you know they fill your heart and mind/There are those who still know  
When you say there's a way through this/They're still home, we're still home

(MORITZ and WENDLA)

Those you've known and lost still walk behind you  
All alone, their song still seems to find you  
They call you, as if you knew their longing  
They whistle through the lonely wind, the long blue shadows falling

(MELCHIOR)

All alone, but still I hear their yearning  
Through the dark, the moon alone there burning  
The stars, too, they tell of spring returning  
And summer with another wind that no one yet has known

Trio:

(MORITZ)

Though you know there's so much more to find  
Another dream, another love you'll hold

Still you know to trust your own true mind  
And on your way, I'm not alone

(MELCHIOR)

They call me, through all things  
Night's falling, but somehow on I go  
You watch me, just watch me  
I'm calling, through longing

(WENDLA)

The northern wind blows  
The sorrows, your heart's known  
I believe  
They're still home, we're still home

(MELCHIOR)

Now they'll walk on my arm through the distant night  
And I won't let them stray from my heart  
Through the wind, through the dark, through the winter light  
I will read all their dreams to the stars  
I'll walk now with them  
I'll call on their names  
And I'll see their thoughts are known  
Not gone  
Not gone

They walk with my heart  
(WENDLA) Not gone  
And I'll never let them go  
(WENDLA) Not gone  
I'll never let them go  
(WENDLA) Not gone  
I'll never let them go

You watch me  
Just watch me  
I'm calling  
I'm calling and one day all will know
