

Spring Break, Big Bad Love

The heartache is over
I pushed you aside
There's no more illusion
Have you realized
It's no hesitation
I'm running alone
The last chain is broken
Now I'm on my own

I'm so tired of your big bad love
I'm so fed up with your big bad love
I'm so tired of your big bad love
I'm so fed up with your big bad love

Your cruel game is over
You're fighting too hard

There's no more confusion
New life and new stars
It's no hesitation
I'm running alone
The last chain is broken
Now I'm on my own

I'm so tired of your big bad love
I'm so fed up with your big bad love
I'm so tired of your big bad love
I'm so fed up with your big bad love

I'm so tired of your big bad love
I'm so fed up with your big bad love
I'm so tired of your big bad love
I'm so fed up with your big bad love
