

Sprung Monkey, Look My Way

i tried to catch your I
paiNt this world a sparkly blue
yeah that is what i'd do for you
and i'd act just like a child
iF this is what i have to do
i'll do that for
you don't even know i'm Alive
no matter what i do you never move
so i feel like i'm wasTing my time
i'll do anything just tell me now

what do i do
what do i say
how do i make yoU
look my way

roses are cliché
so how would you feel
abouT an off key serenade
that was sung outside of this bar
by a naked man his dog
and a brOken dowN guitar

what do i do
what do i say
how do i make you
look my way
