

Spunge, Roving Eye

My mother told me that I would get stronger if,
I could just keep my attention for a little longer on
One girl, any girl, just a normal kind of girl,
take time to ponder but that girl, any girl,
I'll give anything a twirl, I tend to wander
and I wish I didn't have a Rov- ingeye

Every girl in this place looks good to me, me, me.
Every girl in this place looks good enough to eat, eat, eat.
Every girl in this place looks good to me, me, me.
Every girl in this place looks good enough to eat, eat, now..

When I go out drinking I try to be good but,
I find myself flirting with people that I know I shouldn't,
Tall ones, short ones, 'specially the taut ones, I love them all,
With their long hair, short hair wearing almost underwear, say less is more.
And I wish I didn't have a roving eye.....

Every girl in this place looks good to me, me, me.
Every girl in this place looks good enough to eat, eat, eat.
Every girl in this place looks good to me, me, me.
Every girl in this place looks good enough to eat, eat, now..

Well I'm here to tell ya that it can be trouble,
If you're going steady don't bother going for the double,
It's hard not to look, like a fish on a hook, surrounded by ladies.
The best way that I find, to get that image out your mind, is talk about babies.
And I wish I didn't have a roving eye.....

And I wish I didn't have a roving eye.
