

Spunge, Skanking Song

(spunge)
skanking song
the story so far

if you've got this haircut then you might well wear a hat
cause its shorter at the front and then its longer at the back
they call this style a mullet and i know that for a fact but
the vandals sang about 'em so we'll just leave that at that

CHORUS

this a skanking song
its a skanking song
and you cant go wrong
if you skank along
its a skanking song
its a skanking song

if you grow you're hair long
and then shave it at the sides
stick it up with wood glue and then leave it till it dries
go all sorts of colours cause there's loads of different dyes
you've got a mohican and i know its know surprise that

CHORUS

this a skanking song
its a skanking song
and you cant go wrong
if you skank along
its a skanking song
its a skanking song

CHORUS

this a skanking song
its a skanking song
and you cant go wrong
if you skank along
its a skanking song
its a skanking song

if you've got a limp cut
and you find that people stare
just add a little something
so you can spike you're hair
now you're looking gnarly a regular skate punk
you've got no excuse
so i'll see you down the front

CHORUS

this a skanking song
its a skanking song
and you cant go wrong
if you skank along
its a skanking song
its a skanking song
hey, hey, hey, hey, hey, hey, hey, hey, hey, hey, hey, hey,
hey, hey, hey, hey, hey, hey, hey, hey, hey, hey, hey, hey,
