

# Squirrel Nut Zippers, Bad Businessman

There's a man going around in this town selling lies.  
He's the bad businessman  
And the mess he sells is bad  
And the mess he leaves is sad.  
He's a clown  
That's going to get bounced around  
If he don't keep his business underground.  
He's a player  
But every time he deals a round  
It's a bad hand  
What a bad man.  
Beware of what he sells.  
It's shooting you straight to hell.  
"Tain't no bottom in that wishing well.  
Bad businessman.
