

Squirrel Nut Zippers, Fat Cat Keeps Getting Fatter

Every dog will have it's day
That's what people used to say
Now and then that's not the case
There's a fat cat 'round the place

Cat's away, the rats will surely go down
Listen up 'cause I'm tellin' you the lowdown

What does it matter if he keeps getting fatter
What does it matter if fat cat's getting fatter

Fat cat keeps getting fatter

He comes in most every night
Wakes me up before daylight
All around he doesn't mind
Pit pat pit pat pit pat all the time

Cat's away, the rats will surely go down
Listen up 'cause I'm tellin' you the lowdown

What does it matter if he keeps getting fatter
What does it matter if fat cat's getting fatter

Fat cat keeps getting fatter
Fat cat keeps getting fatter
Fat cat keeps getting fatter
