

# Squirrel Nut Zippers, My Drag

My drag,  
It's a weight on my back  
I'm lost in a stack, without my drag

My blues,  
Alone and confused  
Oh I'm spreadin' the news, about my drag

I can go right along,  
singin' the songs that happiness brings  
If I stop for a while  
I can smile and be glad  
but that crazy feeling comes back

Oh my drag,  
Like a hound on my tracks  
I just fell through the cracks, into my drag
