

SR-71, 15 Minutes Idol

Smiling faces on magazines
Checkout line trash beauty queens
The Good time party has to crash
Say Goodbye fairweather friend
Use me up until the end
By the way can you spare any cash?
So Light yourself a big cigar
Lease a house and seven cars
Live like the Hip-Hop Superstars
Never like a One Hit Wonder
Flash in the pan
15 Minute Idol
I'd rather sit at home and wonder
Never understand
How to be a 15 Minute Idol
Get our lives from TV screens
Cold Cristal and limousines
Let's make believe that it's all good
TRL is such a joke
Pushing Coors and Diet Coke
Sell it out just like we're Hollywood
Never like a One Hit Wonder
Flash in the pan
15 Minute Idol
I'd rather sit at home and wonder
Never understand
How to be a 15 Minute Idol
[solo]
Never like a One Hit Wonder
Flash in the pan
15 Minute Idol
I'd rather sit at home and wonder
Never understand
How to be a 15 Minute Idol
