Debbie just hit the wall
She never had it all
One prozac a day
Husbands a CPA
Her dreams went out the door
When she turned 24
Only been with one man
What happend to her plan
She was gonna be an actress
She was gonna be a star
She was gonna shake that ass
On the hood of Whitesnake's car
Now her SUV has become the enemy
Looks at her average life
and nothing has been all right

Since Bruce Springsteen
Madonna
Way Before Nirvana
There was U2 and Blondie
And music still on MTV
Her two kids in high school
They tell her that she's uncool
'Cause she's still preoccupied

She's seen all the classics
atleast 100 times
Breakfast Club, Pretty in Pink
Fast times at bridge mon High
She rocked out to Wham
Not a big Limp Bizkit fan
Never Knew George was gay hope they hook up one day

Where's the fairytale
wheres her dream
wheres the quaterback from her Highschool football team
Where's the fairytale
Where's her dream
How many times will she ask herself what happened to me
ask herself what happened to me

Then Bruce Springsteen
Madonna
Way before Nirvana
There was U2 and Blondie
And Music still on MTV
Her two kids in high school
They tell her that she's uncool
'Cause she's still preoccupied

She hates time
Make it stop
When did Motley Crew become Classic Rock
She hates time make it stop
She hates time
make it make it make it make it make it make it make it STOP!
