

# St. Vincent, These Days

I've been out walking  
I don't do too much talking these days  
These days...  
These days I simply think a lot  
About the things that I forgot to do  
And all the times I had the chance to

I've stopped my rambling  
I won't do too much gambling these days  
These days...  
These days I simply think about  
How all the changes came about my way  
And I wonder if I'll see another highway

I had a lover  
I don't think I'll risk another these days  
These days...  
These days I seem to be afraid  
To live the life that I have made in song  
It's just that I've been losing so long

La la la la la

I've stopped my dreaming  
I won't do too much scheming these days  
These days...  
These days I sit on cornerstones  
And count the time in quartertones to ten  
Please don't confront me with my failures  
I have not forgotten them
