

# Stabilo Boss, ? (Question Mark)

Well I know  
We know  
Yeah that you are here for me  
You see  
All the  
The things I do to be  
The one who sees  
You in your bed

Sometimes I wake  
Up and I can't see a thing  
I'm left in the dark alone  
But then I hear the sweet words in my dreams  
Are left inside of my head

I know we're all like each other  
Yeah, you're like me too  
So I cross my heart and hope you cry  
But it only matters if I do

Help me  
Help me  
Yeah, to see the things I do  
I'm not right and  
I'm made as pure as the God who created you  
And placed you with me

My heart  
has been  
Tryin' to speak to you for years  
I've held back because  
I've never talked to an angel  
But I see one when I look in your eyes

I know you're not trying in your actions  
Yeah you're just being you  
So, God help me if I'm wrong but  
I love all the things you do

You do now  
So take  
Take me into your arms  
Let me hold  
Your hand  
Can you feel me  
Lost in your heart  
Take to the sky  
Spread your whole wings  
Come along  
Yeah, with you I can fly  
Can you hear me  
I know I need to cry

And I want to give to you  
All the things and all the things and all the things  
Money cannot buy  
Money cannot buy

And I know  
We know  
Yeah, that you are here for me  
You see all the, the things I do to be  
The one who sees  
Yeah, you in your bed

And I look in your eyes  
I look in your eyes  
Yeah you bring me you feel me  
To see what I see  
Now not look up not look down  
One and one into the street  
Turn to the street
