

# Stacie Orrico, Beautiful Awakening

A beautiful awakening has happened in my soul  
A beautiful awakening that only I could know

Try to imagine a sound that you've never heard  
A color that you've never seen  
Try to describe  
A taste you've not tasted  
And maybe you'll know what I mean

A beautiful awakening has happened in my soul  
A beautiful awakening that only I could know

Can you imagine if you spent your whole life  
With a heart beating out of time  
Then one day your wild heart found its rhythm  
Don't you think you'd lose your mind

A beautiful awakening has happened in my soul  
A beautiful awakening that only I could know

What if you woke up one day and your eyes could see  
Ugly things as beautiful, ay  
Would you believe it if you fell in love with a  
Stranger would you be doubtful?

A beautiful awakening has happened in my soul  
A beautiful awakening that only I could know

when I looked at you  
My heart already knew  
You had come to breathe life into my dormant soul  
I was terrified  
I'm not afraid anymore  
Cause I know that you  
Embrace my heart and I feel alive

Yeah yeah, ohh

A beautiful awakening has happened in my soul  
A beautiful awakening that only I could know  
A beautiful awakening has happened in my soul  
And I know that you know  
A beautiful awakening
