

# Stacie Orrico, More To Life

I've got it all, but I feel so deprived  
I go up, I come down, and I'm emptier inside  
Tell me what is this thing that I feel like I'm missing  
and why can't I let it go?

(Chorus)

There's gotta be more to life  
than chasing out every temporary high to satisfy me  
'Cause the more that I  
trippin' up thinkin' there must be more to life  
Well, there's life, but I'm sure  
There's gotta be more

(I'm wanting more)

I've got the time, and I'm wasting it slowly  
And, at this moment, I'm halfway out the door  
Onto the next thing I'm searching for something that's missing

(Chorus)

(I'm wanting more)  
(I'm just waiting for something)  
other than this  
'Cause I'm feeling like there's something I'm missing

(Chorus 2X, key change)

more to, more to, more to life  
more to, more to life  
more to, more to life  
There's gotta be more  
more to life...
