

Stacie Orrico, Ride

wanna know
how i got to be this way
wanna know
if you had it would you be the same
i can tell
that you're tired of playing a losing game
i'm checking you cause i got love for you (you)
i gotta let you know that you don't have to lose

chorus 1

come take a ride on the, the other side
if your looking for love that you, you can not find
cause you gotta know love comes in many many ways
but the love that God gives you will never never change
