

Stacie Orrico, So Pray

So pray, pray if you love me
and I'll go pray
I'll pray that you're okay

So pray, pray if you love me
and I'll go pray
I'll pray that you're okay

and I know that you've been watching watching me
and I know you are wondering why
why it seems that I have been slippin'
lately yet I say that im doing fine
if you really are concerned for me
just know my mother taught me right from wrong
you see everything you need to know is right here in this song, yeah

So pray, pray if you love me
and I'll go pray
I'll pray that you're okay

So pray, pray if you love me
and I'll go pray
I'll pray that you're okay

and I see you when youre walking 'round
and your head is hanging down
I can tell that you've been crying lately
cause your face is always wearing a frown
I can see you wanna talk about it
but you don't know what to say, oh
but I consider you a friend today
so ill pray that God with make it okay

So wont you pray
Pray if you love me
and ill go pray
I'll pray that youre okay

So pray, pray if you love me
and I'll go pray
I'll pray that you're okay

yeah,yeah,yeah
if theres something that you must know
if theres something that you must know

So pray, pray if you love me
and I'll go pray
I'll pray that you're okay

So pray, pray if you love me
and I'll go pray
I'll pray that you're okay

yeah yeah yeah...
