

Stacie Orrico, Stuck

I can't get out of bed today or get you off my mind
I just can't seem to find a way to leave the love behind
I ain't tripping, I'm just missing you
You know what I'm saying, you know what I mean

You kept me hanging from a string, why you make me cry?
I tried to give you everything, but you just gave me lies
I ain't tripping, I'm just missing you
You know what I'm saying, you know what I mean yeah

Every now and then when I'm all alone
I be wishing you would call me on the telephone
And say you want me back, but you never do
I feel like such a fool, there's nothing I can do
I'm such a fool for you

I can't take it, what am I waiting for?
My heart's still breaking, I miss you even more
And I can't fake it, the way I could before
I hate you, but I love you
I can't stop thinking of you
It's true, I'm stuck on you

Now, love's a broken record that's been skipping in my head
I keep singing yesterday, why we gotta play these games we play?
I ain't tripping, I'm just missing you
You know what I'm saying, you know what I mean yeah

Every now and then when I'm all alone
I be wishing you would call me on the telephone
And say you want me back but you never do
I feel like such a fool

I can't take it what am I waiting for
My heart's still breaking, I miss you even more
And I can't fake it the way, the way I could before
I hate you, but I love you
I can't stop thinkin' of you
It's true, I'm stuck on you

Every now and then when I'm all alone
I be wishing you would call me on the telephone
And say you want me back, but you never do
I feel like such a fool, there's nothing I can do,
I'm such a fool for you

I can't take it what am I waiting for
My heart's still breaking, I miss you even more
And I can't fake it, the way I could before
I hate you, but I love you
I can't stop thinking of you
I hate you, but I love you
I can't stop thinking of you
I don't know what to do
I'm stuck on you
