

Stage Dolls, Still In Love

New York city, and I'm out with the boys,
on fortysecond street makin' some noise
Another weekend and my baby's away
temptations drivin' me insane

Ain't makin' no promises I can't keep
Cause I've got a lady back home
and she's waitin' there for me

I'm in love, still in love
oh-oh-oh
I'm in love, still in love
oh-oh-oh

Ain't makin' claims about being a saint
human nature just tells me I ain't
The thought of you'll make a blind man see
hey little girl, look what you do to me
doin' to me

Ain't makin' no promises I can't keep
Cause I've got a lady back home
and she's waiting there for me

I'm in love, still in love
oh-oh-oh
I'm in love, still in love
oh-oh-oh
In love, still in love
oh-oh-oh

I can feel my heart beatin

Ain't makin' no promises I can't keep
Cause I've got a lady back home
waitin' there for me, Ah

I'm in love, still in love
oh-oh-oh
I'm in love, still in love
oh-oh-oh
